

Curriculum Vitae

Oana Benga

Professor

Department chair

Babeș-Bolyai University, School of Psychology and Educational Sciences, Department of Psychology

37, Republicii Street, 400015, Cluj-Napoca, Romania.

Contact: oanabenga@psychology.ro

Research domains:

- Typical and atypical development
- Early childhood mental health
- Parenting and parental mental health

Research interests:

- Self-regulation during childhood; internal (temperament, attentional processing) and external (mentalization/mind-mindedness, parental self-regulation, socialization of emotions) influences
- Interindividual and intraindividual variability in developmental processes
- Dyadic analysis of parent-child relationship/interaction

Professional experience:

Teaching

2013- present: Professor, Department of Psychology, Babes-Bolyai University

2005 - 2013: Associate Professor, Department of Psychology, Babes-Bolyai University.

2000 – 2005: Lecturer, Department of Psychology, Babes-Bolyai University

1997 - 2000: Assistant Profesor, Department of Psychology, Babes-Bolyai University

1996 -1997: Teaching Assistant, Department of Psychology, Babes-Bolyai University

Head/co-head of disciplines: *Developmental Psychology* (1996 – 2016), *Atypical developmental Profiles* (2002 – 2016) - BA level; *Cognitive neuroscience* (2000-2001), *Genetic counselling* (2003-2006), *Clinical child psychology* (2006-2007), *Development and mental health in infancy and early childhood* (2008-present), *Child Development: Features and mechanisms* (2007-2009), *Adolescent Development: Features and mechanisms* (2008-present), *Parental education and development*(2012-present)- MA level).

Research

2005 – present: Director and founding member of Developmental Psychology Lab, BBU.

2004 - 2007: Director of the Cognitive Neuroscience Program, Department of Psychology, BBU.

05/2001 – 09/2001: Visiting Researcher, Nagoya City University, Japan.

05/2000 – 06/2000: Visiting Researcher, Sackler Institute for Developmental Psychobiology, Cornell Medical School, New York (USA).

02/1999 – 04/1999: Visiting Researcher, University of Sidney, Australia.

Education

- 2015: Habilitation** in Psychology, Babes-Bolyai University, Cluj-Napoca. *Thesis title: Developmental pathways to self-regulation: individual, social and cultural perspectives.*
- 2004: PhD in Psychology**, Babes-Bolyai University. *Thesis title: Development of social cognition in children.* Supervisor: Prof. Ioan Radu, Ph.D..
- 1999: Hon. B.A. in Biology**, Babes-Bolyai University, Cluj-Napoca.
- 1996: Hon. B.A in Psychology**, Babes-Bolyai University, Cluj-Napoca.
- 1996: Graduate of the Invisible College: Next Generation**, (an intensive research training on Cognitive Science at BBU during 1994-1996, supported by Soros Foundation and McDonnell Foundation New York). *Dissertation: Cognitive functioning in children with autism.*
- 02/1994-04/1994: Tempus fellowship** at the University of Sunderland (U.K.) in clinical psychology. Work at the Autism Research Unit, focused in neurocognitive aspects of autism.

Other professional activities and training (selection)

2016-2018 Expert in a UNICEF project on Socio-emotional skills development in children and adolescents

2015-2016 Expert in a UNICEF project on Development of non-cognitive skills in Romanian adolescents

2014 Parenting Facilitator Circle of Security

2009 Expert and trainer for Save the Children Romania, Iasi Branch, on two Phare Projects: *Community services for the psychological rehabilitation of children and adolescents*, respectively *Community resource center for children with parents working abroad*

2008 the Tool-Kit of Cognitive Neuroscience, F.C. Donders Centre for Cognitive Neuroimaging, Nijmegen, Olanda

2007 Expert in a UNICEF project on the Romanian National Strategy for Mental Health Services in Childhood (0 to 7 years)

2005 Certified psychologist in Cognitive and Behavioral Psychotherapy, *Romanian College of Psychologists*

2000 Trainee in early childhood mental health and early parent-child interaction *Videogestuzte Interaktionsdiagnostik bei fruheren Regulationsstorungen*, Ludwig Maximilians University Munchen.

Professional affiliation

Romanian Association for Cognitive Science (vicepresident 2008-)

Society for Research in Child Development

Distinguished Sackler Network Scholar, Sackler Institute for Developmental Psychobiology, New York, USA

Salzburg Seminar Alumna

National Neuroscience Society (vicepresident 2005-200)

International Congress for Infant Studies

International Society for the Study of Behavioural Development

International Brain Research Organization

European Society for Developmental Psychology

Prizes, scholarships, fellowships

2009: Bologna Professor

2007 Harold W. Stevenson Travel Award for International Scholars

2007 CEEPUS II Mobility Award.

2005 Award of the Salzburg Seminar, Austria for the session on *Early Childhood Development*

2005 Leonardo da Vinci Programme Award

2004 Award of International Brain Research Organization

2004 Scientific Excellence Award, Babes-Bolyai University Cluj-Napoca

2001 Travel Award of the European Science Foundation

2000 Award of the Internationale und Deutsche Akademie für Entwicklungs-Rehabilitation

2000 Travel Award of the European Science Foundation

1998 Travel Award of the European Genetics Foundation

Research grants

a) International funding

Principal investigator

2022-2024: Principal Investigator (PI) for Romania for the CHANSE international project *Platforming Families: Tracing digital transformations in everyday life across generation*, project director prof. Ola Erstad (University of Oslo, Norway)

2014-2017: Principal Investigator (PI) for Romania for the project *Contributions of child temperament and culture to the development of behavioral problems and psychopathology in early childhood*, Berry Family Faculty Excellence Fellowship Project, project director prof. Maria Gartstein (Washington State University, USA)

2012 –2018: Principal Investigator (PI) for Romania for the project *Emotion Socialization in an Interdisciplinary Cross-Cultural Perspective*, project director prof. Wolfgang Friedlmaier (Grand Valley State University SUA)

2004-2009: Principal Investigator (PI) for Romania for the project *Emotional development in preschoolers: Cross-cultural comparisons* project director prof. Susanne Denham (George Mason University, USA)

2003 *Developmental Cognitive Neuroscience - Integrative Perspectives*, fellowship grant by McDonnell Foundation and New School for Social Research, New York, SUA

1999-2001 *Development of executive attention in children with ADHD, autism and anxiety*, fellowship grant by McDonnell Foundation and Sackler Institute, New York, SUA

1998-2000 *Development of autobiographical memory in children*, fellowship grant by McDonnell Foundation and New School for Social Research, New York, SUA (director)

Team member

2024-2027: HORIZON project (call HORIZONCL2-2023-TRANSFORMATIONS-01) Longitudinal Educational Achievements: Reducing iNequalities (LEARN; project ID 101132531), coordinator University of Helsinki, Finland, PI for Romania prof. O. Negru-Subtirica

2023-2027: Cost Action CA22111 - A European consortium to determine how complex, real-world environments influence brain development (ENVIRO-DEV),

2016-2018: Erasmus+ K2 Strategic Partnership Project *Innovative Curriculum for Strong Identities in Diverse Europe - INSIDE*, n°2016-1-LT01-KA203-023220, coordinator Mykolas Romeris University, Vilnius, Lithuania, PI for Romania prof. O. Negru-Subtirica

2007-2009: *Cognitive and language development in children at neurodevelopmental risk*, grant al Ministry of Science, education and Sports in the Republic of Croatia, 013-1081870-262

2001: *Developmental Neuropsychological Research on Social Cognition and Emotion*, grant of Nagoya City University, Japonia

b) National funding

Director/principal investigator

2017 -2019: PN-III-P4-ID-PCE-2016-0934 - *Individual differences in early childhood parenting: multilevel maternal and child-related factors.*

2013-2016: PN-II-ID-PCE-2012-4-0668 - *Maternal self-regulation, parenting practices and child self-regulation in early childhood: implications for developmental psychopathology*

2006-2008: CEEEX -ET 131 - *Critical periods in the development of executive functions*

2006-2008: grant CEEEX -ET 54 - *Developmental trajectories and neurobiological correlates of cognitive-emotional processes in typical and atypical populations*

2002-2003: grant CNCSIS tip AT cod 34 – *Psychological assessment in early childhood*

2001-2002: grant CNCSIS tip AT cod 601 - *Psychological assessment in early childhood*

Team member

2021-2023: PN-III-P4-IDPCE-2020-0179 - *The relationship between identity and behavior: A longitudinal study and online intervention.*

2017-2019: PN-III-P4-ID-PCE2016-0840 - *Differential susceptibility in the making: Genetic moderators of maternal prenatal affect on stress reactivity and temperament in infants.*

2013- 2016: PN-II-RU-TE-2012-3-0323 *The connected lie: Longitudinal links between early deception skills, sociocognitive development and problematic behaviors in young children.*

2011-2012: PN-II-ID-PCCE-2011-2-0045 - *Genetic and environmental factors in emotion regulation development during adolescence: implications for anxiety disorders and depression*

2009- 2011: CNCSIS nr. 2440, Program Idei, *Factorii critici in psihoterapia mediata de calculator a tulburarilor de anxietate*

2007-2010: *Diagnosticul social al performantei scolare prin scala sociala a succesului scolar si proiectarea unor metode de interventie validate prin cercetare*, Proiect parteneriate, PC

2006-2008: Contract nr. 122, CEEEX II 03 - *Analiza neurocognitiva si developmentala a anxietatii. Aplicatii in optimizarea metodelor de diagnoza si psihoterapie*

2006-2008: Contract nr. 88, CEEEX II 03 - *Exploatarea proceselor cognitive relevante in designul si evaluarea softurilor educationale*

2006-2009: CNCSIS, Nr. 1374/2006 - *Asigurarea calitatii activitatii didactice in universitatile din Romania*

2004-2006: cod S2PED, Program VIASAN Neurostiinte - *Evaluare si recuperare cognitivă în patologia neurologică a copilului*

Grant tip E, CNCSIS, cod CNCSIS 62 - *Dezvoltarea infrastructurii de cercetare a Laboratorului de Neuroștiințe Cognitive al Centrului de Psihologie Cognitivă Aplicată*

- 2000-2002:** cod CNCSIS 74, Banca Mondială - *Program complex de masterat –doctorat în Medicina Moleculară și Neuroștiințe* - în colaborare cu UMF Cluj-Napoca
- 2000-2002:** cod CNCSIS 38, Banca Mondială, grant tip B - *Baza de cercetare cu utilizatori mulți în psihologie experimentală și aplicată*
- 1998-2000:** grant tip C, CNCSIS-Banca Mondială - *Psihologie cognitivă aplicată*
- 1997:** cod CNCSU 402 - *Procesarea inconștientă a informației*
- 1996:** cod CNCSU 994 - *Procesarea inconștientă a informației*

POSDRU PROJECTS (MEMBER)

Modernizarea educatiei prescolare in vederea prevenirii fenomenului de parasire timpurie a scolii proiect POSDRU ID 7859

Formarea competențelor personalului didactic pentru promovarea stării de bine acopilor în școli proiect POSDRU ID 33894

Definirea calificării de psiholog și a descriptorilor sectoriali de învățare, în vederea adaptării programelor de master în psihologie la nevoile pieței muncii din România, proiect POSDRU ID 86/1.2/S/58717
